Eurotresa Limitada
Rua Sanches Miranda s/n
Bairro da Munhava
Beira (Mozambique)

Dear Client:

Hereby we would like to introduce the services of the company "Eurotresa Limitada". Its mission is to be focus on the goods conveyance at national and regional level covering Mozambique and neighboring countries.

Eurotresa Ltda. is based in Beira since its establishment on 2009 and it has been recently acquired in 2012, as a major shareholder, by Kamar Investments. The owners of Kamar Investments have more than 40 years of business experience in Mozambique employing over 1.000 people.

Due to the current situation of Mozambique, the group has expanded their business strategies to new areas such as mining, construction and logistics, where the company "Eurotresa Limitada" is part of it.

Regarding assets, Eurotresa Lda. has a transport fleet composed by DAF trucks and trailers suitable for break-bulk and container transportation. All of our vehicles have incorporated a GPS system that facilitates the tracking (monitoring) of the loads and the internal company planification. In addition, we had a mix of local and foreign committed professionals that guarantee the success of the services provided.

From our side we sincerely believe that we could be an ideal transport service provider for your company, not only regarding the short term but also thinking on growing together in the future. A future, that we plan since the very first moment with a client policy based on proximity, transparency and trust.

We would like to thank you in advance the opportunity of working together in Mozambique and we wait to hear from you in the forthcoming days.

Yours faithfully,

Francisco P. Zaragoza
